Time	Sunday		Monday OSR	Monday OHBM	Tuesday OSR	Tuesday OHBM	Wednesday OSR	Wednesday OHBM	Thursday OSR	Thursday OHBM
09:00										
09:15										
09:30										
09:45										
10:00										
10:15										
10:30	Brainhack 101		Discussion: BIDS for magneto- and electro-physiology	Best paper awards	*Demos and tutorials*	Oral Sessions	*Demos and tutorials*	Oral Sessions	*Demos and tutorials*	Oral Sessions
10:45										
11:00				LOC Symposium	**From statistical to biological validity**		**New advances in neuroimaging methods**		**Web-based solutions in neuroscience**	
11:15			Discussion: niQC SIG Meeting							
11:30										
11:45						Software demos @ poster hall		Lunch		Lunch
12:00				Lunch			Discussion: Why haven't I shared my data (yet)?		Discussion: Community discussion: BEP001	
12:15										
12:30		OHBM Educationals								
12:45				Poster Session	Open Science Special Interest Group Q&A (election info, comments, and suggestions)	Poster Session	*Lightning talks*	Poster Session	*Lightning talks*	Poster Session
13:00							Software demos		Software demos	
13:15							**Machine learning**		**Collaborative research**	
13:30										
13:45			Hackathon results		*Lightning talks*		**Open Science, Open Discussion**		**Open Science Wrap-up Gelato party**	
14:00										
14:15					**Neuroscience toolkit**					
14:30										
14:45				Afternoon symposia		Afternoon symposia Including OS SIG: From "Open Science" to "Science"		Afternoon symposia		Closing
15:00			Discussion: BIDS community							
15:15										
15:30										
15:45										
16:00										
16:15				Keynote		Keynote	Discussion: Multi-Echo fMRI not-yet-SIG Meeting	Keynote		
16:30										
16:45										
17:00					Discussion: Theory in Network Neuroscience					
17:15			*Demos and tutorials*	Oral Sessions						
17:30										
17:45		Opening, Talairach lectur reception	**Open science in policies and regulations**				**Title/subject**			
18:00							Demo and tutorials		20 min talks + 5 min questions, 3 per session	
18:15							Lightning talks		5 min talk + 5 min questions, 6 per session	
18:30							Open Science Q&A			
							Open Science discussion panel			
							Hackathon results			
							OSR wrap up			
							Discussions			
							OHBM schedule
